On Thursday, a little son of Mr. Rhine,  
of Lebanon, started to fall the distance of some  
fifty feet, but fortunately caught on a slender  
piece of plank some fifteen feet from where he  
started. The little fellow crawled up, exclaiming:  
"Well, I like to fall!"

On Wednesday last a little son of the  
editor of the Lebanon Post, fell off a stable roof  
and remained unconscious for eight or nine  
hours. He is now running about as usual. The  
distance he fell was between 17 and 20 feet, and  
he landed upon the hard ground.

The State of Connecticut is regarded as  
certain for Buchanan. Even the opposition be-  
lieve the Democracy will carry the State. Gre-  
gory put it down for Fremont, but says it will be  
one of the hardest fought battles in the Union,  
and that for votes "throw a way on Fillmore!"  
will give it to Buchanan.

For Cairo and St. Louis.—The fine light  
draught steamer Ella, Capt. Lovell goes to Cairo  
and St. Louis, this morning at 10 o'clock pre-  
cisely. The Ella is a first class boat, excellent ac-  
commodations and good officers. Take her—  
McDowell and Robertson are the Agents.

A new Christian church is to be erected on  
the present season on the corner of South and Chest-  
nut st., adjoining Judge Bullard's residence, by  
the members of the congregation worshipping at  
Fourth and Walnut streets. The lot of ground has  
been presented by A. C. Bullitt, Esq., of the  
New Orleans Picayune. The church edifice has  
been designed by F. W. Vogdes, Esq., and will  
cost thirty thousand dollars.

The Philadelphia Banks are determined to  
make a united stand against the depreciated  
currency which now fills the channels of trade,  
to the exclusion of par funds. They have not  
yet decided whether to take all the notes offered,  
and send them home for coin, or refuse all that  
are not par. Either course would oblige them to  
bring their notes to par, or force them from  
circulation.

Owen's Hotel.—It will be seen by an ad-  
vertisement to-day's Times that Mr. Henry  
Stanley has become proprietor of the Owen's Ho-  
tel. Mr. Stanley has long experience in the hotel  
business, and the "Owen's" will lose none of its  
popularity while it is under his control. We  
cheerfully commend Mr. S. and his hotel to the  
public.

The Union in New York.—We have lately,  
(says the Pennsylvania) had an opportunity of  
conversing with some of the most influential poli-  
ticians in the State of New York, in relation to  
the Union as auspiciously formed at Syracuse.  
They seem to be of the opinion that no man be-  
liever in union, wearing antislavery all the while—  
but a real, hearty, sincere blending of two par-  
ties in one solid band of fraternity and good fel-  
lowing. All our friends in that State are in high  
spirits. They anticipate a fierce struggle and a  
glorious victory.

Messrs. W. P. Feltz & Co., have sent in  
the early sheets of a novel which carries us back  
to the good old times of the "Pioneers." The  
scene is laid at and about Saratoga; the time is  
some years ago or thereabouts, when a log had  
occupied the site of Congress Hall; where bears  
and panthers bounded as much as lap-dogs and  
dandies now do; and where sturdy pioneers,  
brave revolutionaries, soldiers, and men of  
half-breed blood drank their wine and  
by the judicious devotion of fashion. The plot of  
the story is well conceived, the adventures are  
full of the most absorbing interest, and the char-  
acters are drawn and contrasted with admirable  
skill. The capture of the fair Lucile by the  
savage Jacob, and the pursuit through the forest  
by Catfoot and his associates is capitally narrated;  
and the exciting experience of Jim McCarty and  
Sandy Brigham are true pictures of events that  
occurred in the "the times that tried men's souls."

The love story that is intermingled with  
some stirring scenes is very delicately and clever-  
ly managed. Taken all in all, we regard this as  
the most truly American novel that has been  
written for the last twenty years.

Pulaski county, this morning. The majority of A.  
J. James, (Dem.), for Circuit Judge, is 550—  
a gain of 300 votes.

Crawford, (Dem.), Circuit Clerk.

GREENUP COUNTY.  
On Wednesday, Aug. 5, 1856.  
Dean Jones.—On election transferred yester-  
day, gloriously for the Democracy. Cook and  
Henry have both carried the county, Cook by  
50 votes, Henry about 10 votes.

Henry was unable to canvass the county,  
whereas his majority would have been equal to  
Cook's. This result you will remember, was  
achieved against the regular nominees of the  
Hindoo convention, of the 10th of May. Henry  
the vote was strictly a party one, owing to un-  
fortunate divisions in the Democratic ranks; we  
were defeated in the county elections. You may  
safely get down Mainburg at 150 majority for  
Buck and Breck in November next.

CUMBERLAND COUNTY.—Bramlette's majority  
over James is 315; Morehead over Clarke last  
year was 368, showing a gain of 47 votes for  
Bramlette. This is a large county, and he  
practiced his vote for some time. His gain is  
on personal consideration.

TOTO COUNTY.—N. E. Gray, K. N., for Circuit  
Judge 256 majority; J. M. Shackelford, K. N.,  
Com'th Attorney 251 majority; B. F. Perkins,  
K. N., for Circuit Clerk 303 majority; W. H.  
Simons, K. N., for Sheriff 646 majority. The  
vote between Gray and Cook is the party vote  
of this county and shows a K. N. gain over  
Morehead's majority of 144. Tom is Gray's  
active county.

HARBOUR COUNTY.—Kincheloe 579;  
Harris 1099. A. M. Brown 1136; J. Y. Brown  
1072; R. H. Helm 917; English 1123; Thomas 943.

150. Commonwealth's Attorney—Vanwinkle  
N. 629, Stone Dem., 444. Clerk—O. H.  
McKinney (no opposition) 830. Sheriff—Cald-  
well 434, Edwards, 129, Edna 423.

CASEY COUNTY.—Bramlette's majority reported  
160.

BRACKEN.—Marshall's majority in Bracken  
county is only 150. Last year it gave Morehead  
550. A Democratic gain of 400 votes.

MURKIN.—This sterling patriotic county  
gave the Democracy 50 majority. Last year it  
gave 23 for Morehead. Three years since it was  
a 300 Whig county, but it would not stand  
dark-lanterns and signs and grips.

CARROLL COUNTY.—Appellate Judge  
—Marshall 447, Duval (Dem.) 451. Circuit  
Judge—Pryor 521, Nuttall 420. Hogan's (K. N.)

majority for Sheriff 10. Lester's (Dem.) major-  
ity for Assessor 22.

BOONVILLE COUNTY.—For Circuit  
Judge—Goodloe, no opposition. For Common-  
wealth's Attorney—Downey 700. Porter 329.  
James Patton elected Circuit Court, and Harry  
Belford Sheriff, without opposition.

MERCER COUNTY.  
Appellate Judge—Duval 918; Marshall 450.

The Sumter, S. C., Watchman says:  
Let Preston S. Brooks be our next Governor,  
without a dissenting voice—not as a reward,  
but as a testimonial of our appreciation of patri-  
otic firmness, dignity and statesmanship.

Louisville Market.—No change has oc-  
curred in this market since our last. It is diffi-  
cult to make shipments South, which curtails  
transactions, but holders are very firm. Stocks  
do not accumulate and are very light, being re-  
duced by fire, which consumed 200 pieces and  
600 coils.

The market is steady and firm in New York,  
with limited sales of Kentucky at 15, 19, 20, 21, 22,
